

October 2014

NEW ADDITIONS!

With our present Social Worker – Jeny Flores Gutierrez upgraded to be Bahay Kalinga's Center Head, the Department of Social Welfare required us to have another Social Worker. We are thankful for Joe Anne Suizo who has accepted the challenge to serve with us.

Another addition to the BK Family – is Jeny and husband Prince's baby girl (PrinJen Faith). We share their joy in welcoming this baby and pray for their continued faithfulness in serving the Lord!

PRAISES:

Praise God for healthy children under our care. They are growing well in mind, body and spirit. As of this month, to-date, we have served 192 children. We still have two children in other facilities who we support. Our staff visits them periodically and they are healthy, growing and thriving as their individual special needs are met.

Praise God for our Caregivers – kind, loving and compassionate!
