SEPTEMBER 2025

Dear Praying Friends and Faithful Partners,

“Truly my soul finds rest in God alone; my salvation comes from Him. Truly He is my Rock and my Salvation; He is my Fortress; I will never be shaken.” Psalm 62: 1-2

Psalm 62: 1-2, is a very personal Bible verse for me, my “go to” when faced with challenges. I can entrust myself to the One who has promised to take care of me. He is faithful! I am more than the flowers in the field, the birds in the air - Remembering the hymn: “His eye is on the sparrow, and I know He watches me!” I do not need to worry about tomorrow - my God is already there! He has taken care of me in the past, today, and will take care of me tomorrow and always! Praise His Name!

GUAM. To God be the glory, great things He has done! We celebrated PMA’s 50th Anniversary here on Guam with community leaders, pastors, PMA Board, PMA HQ staff, friends and family. It was a fitting tribute and testimony to a Great God that has carried us through 50 years of serving in the islands! We thank God for all who came to celebrate and encourage us!

We also thank God for **Melody Coleman** who came through Guam on her way back to Arlington, WA. After much prayer and discernment, she decided not to continue with her service with PMA to help care for her father who was diagnosed with a very difficult terminal illness. She will continue to be supported until October, and we are thankful for her partners and supporters for seeing her through this as she settles in Arlington, Thank you for your faithfulness!

Amos Collins and **Brock Welge** were also here on Guam for their annual check rides which they passed successfully. The surprise for us here on Guam was that their families flew with them, so we got to see everyone and spend time with them. More importantly, the families had a great break before the next school year, especially with **Heidi Collins** and **Rachel Welge** still home school most of their children. The Collins have 3 in High school and the Welges 1, the rest are home schooled by Mom. Please pray for them for daily strength and wisdom.

PHILIPPINES. **Amaga, Quezon, Pastor Jose shares this testimony:** The Lord works in mysterious and redemptive ways, and it’s remarkable to see how a moment of fear has become a catalyst for spiritual awakening. Teacher Chielo’s (High School Teacher and member of our church) influence, combined with the church’s presence, seems to be planting seeds of faith in hearts that might not have been open before. In a place where superstition and tradition often shape belief, this shift toward Christ-centered community is no small thing. Because parents thought their children were possessed by evil spirits, they allowed them to go to church and be part of the activities. It’s a breakthrough not just for the students, but for their families and the wider island culture. What the enemy meant for harm, God is clearly using for good. Praise God!

BAHAY KALINGA ORPHANAGE, NAUJAN, OR. MINDORO, PHILIPPINES. We thank God that now JJ and RV, siblings in our care are now ready for inter-country adoption. Please pray for the preparation and coordination that our Social Worker **Ann Caspe** has to do with ICA's (Inter-Country Adoption) Inter-country Reviewing Division.

PALAU. We bid a heartfelt farewell for Pilot **Melody Coleman**, who has returned to the U.S. after several years of faithful service in Palau. Her dedication and quiet strength have left a lasting impact, and we continue to pray for her as she enters this new chapter. Melody, you will always have a home here—we hope to welcome you back in the future.

We also thank **Jaeden Balayo**, son of former PMF Palau Pastor Bambit, for his time with us during his on-the-job training. Jaeden brought energy, insight, and a servant's heart to the team. As he returns home to complete his studies, we send him off with gratitude and encouragement.

Congratulations to Pilot **Amos Collins** and Pilot **Brock Welge** for successfully passing their check rides! Their professionalism and commitment to safety are a blessing to our mission. We praise God for their continued service through the King Air aircrafts—faithful wings that carry hope across the islands. **By: Angelyn De Lina**

YAP, MICRONESIA. After nine months grounded, N875SP is back in the skies with a newly repaired engine and a full inspection completed. With both King Airs now operational, our team has regained vital flexibility for missions and medevac requests. Brock and I recently returned from training and successful Check Rides in Guam, where the high-traffic environment sharpened our readiness for Manila operations. Tomorrow marks our third medevac to Manila this year, a testament to the growing demand and the strength of our team's preparation. **From: Amos Collins**

POHNPEI MICRONESIA. Field Reflections from the Philippines Over the past two weeks, I've had the privilege of traveling across our PMF churches in the Philippines—by banca boat, motorcycle, and on foot—visiting pastors and congregations from island to island, village to village.

Together, we planned projects to meet both spiritual and practical needs: wells, drinking water systems, church maintenance, construction, and livelihood initiatives. At our center in Patnanungan, all our pastors gathered for fellowship and discipleship training. Our theme: "We have the greatest message that requires intentional and faithful messengers." What an honor to walk alongside these humble leaders who serve tirelessly in their communities. Their faithfulness is a living testimony to God's grace. To Him be all the glory! **From: Nob Kalau**

We continue to praise and thank God for you, our dear Prayer Warriors, Partners and Supporters. Your faithfulness has been a blessing to PMA and to each of our Mission Staff. His goodness is experienced everyday because of your being a Channel of His Blessing!

God bless you more!

In Him we live and move and have our being,

Ma. Melinda R. Espinosa
