NOVEMBER 2025

Dear Praying Friends and Faithful Partners,

“Praise God from whom all blessings flow, praise Him all Creatures here below. Praise Him above ye heavenly hosts. Praise Father, Son and Holy Ghost...” – Thomas Ken

November, the month we celebrate Thanksgiving, we’re reminded that gratitude isn’t confined to a single day, it’s a way of life. True “Thanks Living” means giving thanks in all circumstances, as Paul exhorts in 1 Thessalonians 5:18: “In everything give thanks; for this is God’s will for you in Christ Jesus.” This includes not only joys but also trials, failures, and challenges, which God uses to deepen our faith and dependence on Him. May we daily recognize His enduring love and find reasons—big or small—to thank and praise Him.

GUAM HQ. We thank God for each guest who passed through Guam and stayed at the Mission House—what a joy to welcome them! Our first visitors were **Heidi Collins** and her daughter **Honora**, who came for Honora’s regular orthodontic appointment. Shortly after, we welcomed **Dustin** and **Nacia Driedger** with their daughters **Ellidy** and **Ayla**. Their journey spanned nearly 24 hours—from Canada through the mainland U.S. and Hawaii before arriving in Guam. Dustin and Nacia have accepted the call to serve with PMA for one year as a Missionary Pilot and missionary workers, seconded by MAF Canada. Their brief rest in Guam was much needed, and it was a blessing to show them a glimpse of Guam’s beauty, assist with administrative matters, and arrange meetings with PMA HQ staff and our Board. Our final guests were a surprise. **Garrett**, son of our missionaries **Brock** and **Rachel Welge**, had earned third place in Palau’s Cross-Country race. His team of four, along with their coach, needed accommodation in Guam to compete in the regional meet. Out of 128 participants, the Palau team placed in the top 25%—and all three runners achieved Personal Records. That’s the real victory! We praise God for each encounter, each story, and each step of the journey. May the Mission House continue to be a place of rest, connection, and encouragement.

PHILIPPINES. PMA Learning Center, Patnanungan, Quezon. We celebrated our 1st Quarter Recognition and held our Parent-Teacher Conference. Together, we finalized our class project for the school year: the installation of a 2000 HP air conditioner in the second room of the PMA School. Thanks to the support of 35 dedicated parents, the unit was successfully installed, bringing comfort and care to our learners. Thank you for your prayers. They are the reason we remain strong, healthy, and joyful in our calling. Above all, we give thanks to our Master Teacher, who equips us daily with strength and grace.
From: Mercy Sulad

BAHAY KALINGA ORPHANAGE, NAUJAN MINDORO OR. PHILIPPINES. October carried the same rhythm of grace-filled momentum that PMA Bahay Kalinga is known for. Each milestone, from entrustments and trainings to facility upgrades and regional engagements, reflects a steady heartbeat of service, growth, and spiritual stewardship. We continued our Sunday meetings with our Bible school student, fostering unity and prayerful reflection. We lovingly entrusted Zarina to her adoptive parents from Marinduque on October 1. We thank God for compliance achieved as a caseload inventory was successfully

submitted to RACCO (Regional Alternative Child Care Office) on October 3. We celebrated Family Day, a joyful gathering for children enrolled at Brgy. Santiago, Naujan, Oriental Mindoro. Our Center Head actively participated in ABSNet Meeting: “Capacity Building”, and Election on October 15–17 in Manila. Our Caregiver Head attended Houseparent’s Capability Building Training on October 19–25 in Antipolo. The BK Team joined the Orientation on Approved Monitoring Tools 2025 on October 28. We participated in the Magna Carta of Women Orientation and Consultation Dialogue on October 29. Facility Enhancements: Installed solar lights at 11 strategic places. We ask you to please pray for ongoing revision of our Manual of Operation to align with current standards and spiritual values.~ **Ann Caspe**

REPUBLIC OF PALAU. We joyfully welcome **Dustin** and **Nacia Driedger**, along with their two daughters, to Palau! Dustin joins us as a pilot through a partnership with MAF Canada, and the team is actively helping the family settle in and begin training with PMA. Meanwhile, **Brock** and **Wayne** have been busy flying Cessna 206s, supporting local Angaur flights, medevac missions, and scenic tours. On the ground, our dedicated staff have made impressive progress on facility upgrades, including new check-in counters, workbenches, and welding tables. We’re deeply grateful for the safety, success, and provision we’ve experienced. Thank you for your continued prayers and support! **By: Wayne Miller**

YAP, MICRONESIA. Earlier this month, our new pilot, **Mark Abbott**, finished his simulator training in North Carolina and passed his Check Ride. He and his wife, **Sherry** are packing up now and are planning to arrive here at the end of the month. We are looking forward to them joining our team. Pray for them as they wrap up their lives in Washington State and move out to Yap. When they arrive, we will still have to do some local training, and we plan to have him online before the busy Christmas season. ~ **Amos Collins**

POHNPEI, MICRONESIA. Every two years, our island of Pohnpei becomes a hub for legal excellence as the Guam Pacific Judicial Council and the American College of Trial Lawyers bring their Trial Practice Training to our shores. This week-long conference gathers over 80 participants—including judges, attorneys, and legal professionals from across Micronesia—under one roof to sharpen skills, exchange insights, and elevate the standards of justice in our region. We are humbled and honored that PMF/PMA is the venue of choice for this transformative gathering. Our church auditorium will be reimagined as a conference center, equipped with forum seating, sound systems, presentation tools, printing services, and catered hospitality. It’s a beautiful reminder that sacred spaces can also be strategic ones—where God’s excellence is reflected in every detail. This partnership is more than logistics; it’s a testimony. By opening our doors, we build bridges of trust, foster national confidence, and affirm our calling to serve this island nation with grace and integrity. We trust God to bless every conversation, every presentation, and every connection made during this week. May His presence be felt in the pursuit of justice, and may His name be glorified in the standard we uphold. **By: Sylvia Kalau**

Thanksgiving is more than a holiday—it’s a holy invitation. Scripture calls us to live in continual gratitude, not because every moment is easy, but because every moment is held by God. As James 1:17 reminds us, “Every good and perfect gift is from above, coming down from the Father of the heavenly lights.” Gratitude is our response to His goodness, even when circumstances challenge us. Paul’s exhortation in 1 Thessalonians 5:18—“Give thanks in all circumstances; for this is the will of God in Christ Jesus for you”—is not a suggestion, but a spiritual rhythm. When we praise God in every season, we declare our trust in His sovereignty and open our hearts to deeper intimacy with Him. We thank God for you dear Partners, Prayer warriors and Supporters – our hearts overflow with praise because of you! God bless you more!

In Him we live and move and have our being,

Ma. Melinda R. Espinosa, CFO/Administrator
