MARCH 2026

Dear Praying Friends and Faithful Partners,

*“And He answered, “You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself.”” Luke 10:27*

Loving God, as Scripture shows, is a wholehearted response that touches every part of who we are. Luke 10:27 calls us to love Him with heart, soul, strength, and mind, and that invitation becomes even more personal when we hear Jesus’ question to Peter: “Do you love Me?” It is a question that reaches beyond emotion and asks us to look honestly at our obedience, our desires, and the things that compete for our affection. John 14:15 reminds us that love for God is revealed in a life that seeks to honor Him, not perfectly, but sincerely—through choices, surrender, and trust. My prayer is that His love will move us to faithfulness—going, teaching, serving, and demonstrating His compassion in both word and deed—so that others may come to know Him through the way we live.

**GUAM.** We are so thankful for the visit of **Franklin Graham of Samaritans Purse** last month and I wanted to share his message to all: *“It was a blessing to visit our friends at Pacific Mission Aviation in Yap, an island that forms part of the Federated States of Micronesia in the Western Pacific, and see more of their work first hand. This is a Gospel-centered Christian ministry that meets all kinds of needs of the people of these remote islands including food supply, health care, education and more. Samaritan’s Purse has been collaborating with them for many years. Join us in praying for his work, which is vital to so many people. May God bless you and continue to use you greatly.”*

**PHILIPPINES.** We thank the Lord for the grace He poured out during the recently concluded CDC Couples Seminar with the theme Love & Respect. Forty couples attended the session held on February 21, 2026, at our worship hall, and **Ptr. Marty Jonee N. Lumigis** faithfully led the entire discussion. Our CDC team witnessed the joy, openness, and genuine interest of all who participated. The teaching flowed smoothly, emphasizing marital unity as God’s design. Many couples—most of whom were living together but not yet married—shared that the seminar opened their understanding of what true love, respect, and God-honoring togetherness look like within marriage. Their feedback reflected hope, conviction, and a desire to strengthen their relationships in the framework God intended. We praise God for His provision, for our hardworking CDC staff who continually serve families with dedication, for Ptr. Marty’s consistent ministry as a resource speaker, and for every couple eager to learn and grow through our CDC Couples Seminar.

To God be all the glory! By: **Pastor Bryan Bantucan, PMF Patnanungan**

**BAHAY KALINGA ORPHANAGE, NAUJAN, MINDORO OR.** Bahay Kalinga (BK) just underwent an assessment process with the NACC (National Authority for Child Care) which

involves an evaluation to ensure compliance with ethical practices, professional standards, and adherence to NACC requirements. The assessment includes regular evaluations of compliance with adoption and alternative childcare program standards, as well as recommendations for corrective or preventive measures when necessary. We thank God that we were able to get a result of 97%. Please continue to pray for our ministry staff as they continue to serve with excellence, integrity and accountability as they care for the children with love and compassion.

**PALAU.** The busy schedule continues in Palau, with flights fully booked each day throughout the month. Our maintenance team is working diligently to keep the planes running while also completing several major maintenance projects. We are pleased to welcome a new local staff member, Trixy, who has joined the office to support our accounting work. It has been a blessing to experience such strong bookings and so many opportunities to serve in our roles here in Palau. The team has done an excellent job coordinating all the moving parts—often behind the scenes—to keep the planes flying smoothly. From: **Wayne Miller**

**YAP, MICRONESIA.** The Yap base has been especially full lately. Amos was away for annual flight training in North Carolina and then two weeks of King Air maintenance training in Kansas City, provided through Samaritan's Purse. While he was gone, newly FAA-approved Director of Flight Ops Mark Abbott kept operations running during a week when flight loads stayed high despite fewer pilots. The team managed the challenges well and continued serving as a vital lifeline for the islands. ~ **Amos Collins**

**POHNPEI, MICRONESIA.** Calvin and Merna are a young couple in their 30s who love the Lord and serve enthusiastically at the PMF church in Pohnpei. Calvin is a gifted member of our worship team, able to play drums, ukulele, acoustic, bass, and electric guitar. God has blessed him with the ability to play both by ear and by reading music, and it is always encouraging to hear him share insights about the songs as he helps prepare the congregation for worship. He also has a wonderful singing voice. Merna has a tender heart for children and faithfully teaches Sunday school each week. Couples like these represent the future of our PMF churches, and we are deeply thankful for the way they use their God-given gifts to serve the Lord and His people. By: **Sylvia Kalau**

**As we serve in the islands, we have the great promise of our Lord that He will always be with us. This promise enables us to press on by His grace and strength to bring hope so that people's lives would be changed. Thank you for your prayers and your partnership - indeed, we are all in this together -- and by faith, we can have the confidence that God is answering our prayers "that every island may hear." God bless you more!**

**In Him we live and move and have our being,**
