OCTOBER 2026

Dear Praying Friends and Faithful Partners,

“Call to Me, and I will answer you, and show you great and mighty things, which you do not know.” — Jeremiah 33:3

What a powerful promise this is — given to us by a Great and Mighty God. In my 38 years with PMA, I have witnessed again and again how the Lord answers prayers and carries us through difficult and challenging situations. There were seasons when the only thing that kept me going was the assurance that He is able, and that His plans are always for our good and for His glory. Every time PMA was faced with a need or faced with a challenge, I immediately brought it before the Lord and waited expectantly for Him to work. His promise in Jeremiah 32:27 gives me peace: ***“I am the Lord, the God of all flesh. Is anything too hard for Me?”*** And true to His Word, God moves all the time in ways that I have not expected. Thank You, Lord! **And thank you to our obedient, generous and faithful partners in the ministry who allow God to use them for His purposes.**

GUAM. We thank God that PMA has once again been awarded a **Certificate of Good Standing** by the Guam Department of Revenue and Taxation. This recognition, given to us annually after their review, affirms PMA’s continued commitment to financial accountability, transparency, and faithful stewardship of every gift and donation entrusted to our ministry. We are also currently undergoing our annual external audit—another important step in maintaining integrity and strengthening our accountability before God, our partners, and the communities we serve.

APAD, PHILIPPINES. **Pastor Jun Mandreza** shares his gratitude to the Lord for the strength and courage He continues to provide as they press on in the ministry. He rejoices that their work remains steadfast, strengthened by brethren who faithfully serve alongside him. Through the dedication of their caretaker, cell group meetings, visitations, and Bible studies continue to flourish. He also expresses heartfelt thanks for the prayers of our PMA–PMF leaders, whose support brings great encouragement. **Note: Pastor Jun oversees our PMF churches in Jomalig, Apad, Bukal, and Casuguran, and is actively discipling young men who now assist him in ministering to these congregations—a growing testimony of God’s grace at work.**

BAHAY KALINGA, OR. MINDORO, PHILIPPINES. Our Social Worker, **Richelle Venturina**, shared this: “Ray (not his real name) entered PMA–Bahay Kalinga as a tiny two-month-old in 2021, arriving with his older brother during a difficult time for their family. In the safety of the Center, he grew into a bright and cheerful child, guided by the steady care of the staff. As he reached preschool age, new behavioral challenges emerged. A psychological assessment later confirmed ADHD, and Ray began therapy and Occupational Therapy to support his development. Today, he continues to make meaningful progress. From a fragile infant to a

lively young boy, Ray's journey reflects the power of patient guidance, early intervention, and a community committed to helping him thrive.

REPUBLIC OF PALAU. Big news in Palau is God's answer to prayer in sending a pastor for our PMF church. The PMF family praise the Lord, and are excited to welcome **Pastor Alfred Greg Del Rosario** and his wife **Haydee** after arriving safely in Palau. Their visa and paperwork process made quick progress, and they have jumped into their new roles with PMF. The month also held a funeral for long time friend of PMF and PMA, Ucherbelau Lorenzo Edwards, the High Chief from Angaur. Funeral preparations have kept several of the staff and families busy helping where they can to celebrate his life now he is with Jesus. Daily flights and maintenance continue thanks to the combined efforts of the whole Palau team. We also welcomed new ground crew employee, **Kasian**, to the team. It is a blessing to have more hands-on deck to help fulfill the dynamic, often multi-operation schedule. **From Wayne Miller**

YAP, MICRONESIA. September, we celebrated the 27-year work anniversary of **Tommy Gorong** and the 23-year work anniversary of **Grace Adgil**. These are two of our faithful Yapese staff who are such an integral part of our team. We thank God for their faithful service. **Mark** and **Sherry Abbott** returned from a short vacation trip to Japan and next week **Mark** and **Amos** will fly to Guam to conduct Mark's recurrent flight training. We will also utilize this trip to load up the plane with much needed supplies for our upcoming construction projects. We were awarded a Grant to pay for us to resurface the apron in front of our hangar. And we also have new construction going up at the Church Campus which we will be managing. God has been good in providing funds for these projects, but we really need more skilled construction workers and pilots and mechanics. If you are reading this, please spread the word of our needs. **By: Amos Collins**

POHNPEI, MICRONESIA. Commitment and dedication is how I would describe PMA's 12-member worship team. We practice every Thursday evening, play every Sunday and prepare for special occasions like funerals, government functions, US Embassy invitations, Christmas, Easter, programs etc. Always an opportunity to be a testimony for the Lord. All of our musicians are self-taught and what a joy it is to serve with them. Just now the worship band is preparing for our 7-song Christmas medley with Scripture. Indeed, *"God inhabits the praises of His people."* **Psalm 22:3 ~ Nob Kalau**

We are truly thankful for our God who is our Provider and Shield. Dear Partners, your faithful standing with us is such a great blessing and encouragement. *"Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain."* 1 Corinthians 15:58

God bless you richly!

In Him we live and move and have our being,
